

SCHUTZ REUNION 2007 EVALUATION

1. How was the length of the reunion?

___**3**___ too short ___**1**___ too long ___**23**___ just right

Comments (optional):

1 day longer

Glad I arrived on time. The first color (session) was awesome

I think it is good to have optional and touristy stuff before the week-end

2. How were the accommodations?

___ ___ poor ___**3**___ fair ___**8**___ good ___**12**___ very good ___**4**___ excellent

Comments (optional):

Good for the price

Seems to me the college was a little too large for us to really feel we were together but that mattered more at the start than at the end.

The only improvement would have been to have all of us staying in the same bldg, but it was ok as it was.

Not TV, short meal times, good parking, easy access to city

Dorms rooms are not 5 stars but are very good

Coffee shop? Would be nice to have 24-hr coffee machine

Swipe cards for laundry/vending (word) should be advertised/offered/explained

I crunchy pillow, I flat pillow

3. How were the costs associated with the reunion?

(2) N/A ___**1**___ poor ___**3**___ fair ___**6**___ good ___**11**___ very good ___**4**___ excellent

Comments (optional):

I felt the travel costs would have prohibited me from coming without sharing a ride but sharing a ride is a good thing.

Seemed expensive for the rooms compared to other university accommodations.

4. How was the information provided by the Schutz website and newsletters?

___ ___ poor ___**1**___ fair ___**3**___ good ___**9**___ very good ___**13**___ excellent

fantastic **(1)**

It was ok – I thought the written material was quite good - didn't use the internet site (word?)

I think we should list phone and computer access.

Comments (optional):

I loved the week-end, loved the panel, would have liked more personal sharing

List of optional items to bring for the dorm (coat hangers, fan) didn't see that info (in kit)

Jean Stultz is a hero (heroine)!

Next time it would be good to use e-mail to remind people more frequently and get others to come.

7. How was the balance between planned activities and unstructured time?

_____ poor 2 fair 11 good 7 very good 5 excellent

Comments (optional):

Could have been one day longer
Planned activities should be in the AM, afternoons free, early dinner/event
Except for the meal, we really wanted to talk together and were interrupted too often by the announcements at dinner.
At first, before we came, I thought that there were too many organized activities, touring etc.
But touring as a group was good for spending time together
I think there was time for another short seminar on a different topic

Thank you to Marina and the Committee for all your hard work- a wonderful and memorable reunion (Jeanie W)

I would be interested in hearing people share their life experiences, where they are...and the way they reached this point. I am a green, I want more facts!

Food at banquet was wonderful!
