

WHAT I EXPECT SCHUTZ TO DO FOR ME DURING
MY YEARS AT SCHUTZ

I expect to get a good education. I want to learn all I can. I want to know both French and Latin very well. I'd like to learn to play the piano nicely.

Then I want to learn how to co-operate and always get along with other people. I want to make friends that I will always remember, and I want to be a good friend to others.

Outside school I expect to enjoy myself. I wish to learn to play games fairly, and be a good sport. I want to have a good time and strengthen my body as well as my mind.

Next, I should learn to obey the rules willingly, and remember that behind each rule is a reason. I want to be on time always, if possible.

After I leave Schutz, I want to be able to carry pleasant memories of the good old Schutz days wherever I go. I want to be able to look back on all the fun we used to have, and to sometimes wish that I could be back in Schutz once more.

And, last of all, I wish to profit by the Christian influence of Schutz. I want to go forth into the world a wise person, and prove by my character what a wonderful place Schutz is.

Louellen: "I don't have any brain, so I do my numbers on my fingers."
