

SCHUTZ NEWSLETTER

January 1981

Perhaps the reason we have not had the second bi-monthly letter from George Meloy is because he is awaiting a report from the "stateside secretary" on the response received in the U.S. It was good to hear from so many that you would like to be kept on the mailing list and a surprise not to hear from others. It may also be that many wrote to Egypt and I need the report from Schutz! In any case, I'll continue the practice of listing all those who attended the annual Schutz reunion, announce next years' date, share news received since then and in the Christmas mail, and be off to a good beginning for the New Year 1981.

The Schutz Newsletter started back in 1964. It was the 12 graduates of 1963 that expressed a desire to keep in touch and I agreed to be the secretary. All were to write to me and parts of each letter were reproduced in one big newsletter and remailed to everyone.

Much has been said about family because of Willie Stargel's Pittsburgh Pirates. There is much to be said about another family. Many of you have said it over the years as you wrote appreciation in receiving the newsletter or sent contributions to offset the cost -- enough so that I am inspired to continue to keep us together via the letter and the reunion. A reminder though ---- the bulk mail method we use as a non-profit organization does not allow for forwarding this letter if you have moved. Therefore, we lose touch with some because I have not received new addresses. If you do not see news from a classmate it may be for this reason so send any new addresses you think I might need or parents and staff please keep me posted on moves.

Schutz celebrated 50 years in 1974 and we need to get fixed in our minds the year 1984 and plan for the 60th year celebration. George suggested there be a West Coast reunion somewhere as well as the East Coast one and if gas keeps going up in price perhaps there should be a Central reunion as well. Send suggestions.

Please remember that I am not a forwarding agent for Schutz. The October letter suggested that USA folks write to 326 Lincoln Ave. address but if you wish direct communication with staff at Schutz, please use the P. O. Box 1000, Alexandria, Egypt address. *Jean Stultz*

Next Schutz Reunion

SUNDAY AUGUST 2 1981

Donald, Barbara (Philips), Scotty & Brad Gaywood, Box 252, 230 N. Jones, Sterling, KS 67579 6/'80 & 12/'80 We got the newsletter & were so glad for it. Decided I'd better sit right down & get my letter off to you. I'm an official housewife, now, although finances have demanded I do something. So I'm taking in babysitting. With our Scotty turning 3 the end of Aug. & Brad just 1½ I'll have 4 children under 3! Will keep me plenty busy but I enjoy them a lot. Donald still works in the office for Krause Plow in Hutchinson as assistant shipment scheduler. He is co-commander of the new AWANA group we've started on Wed. night for children up to 8th grade. It's a fantastic program of Bible learning, memorizing and fun. It's been very successful after just one year. We praise the Lord for the opportunity to share His love & grace in this manner. It reaches out to several towns in our community, not just Sterling.

Vernelle Blair, 70 LaSalle St., Apt. 21-H, New York, N.Y. 10027 7/'80 No time like the present to get this letter off to you. The SCHUTZ NEWSLETTER arrived this morning and I read it while I had my second cup of coffee on the balcony!! It was so good to read the news and I was surprised how many of the people I know. Makes me homesick for Egypt. Between meetings and other problems things just haven't worked out for me to make it to New Wilmington this year as I had hoped. A week's vacation was squeezed in and spent at Schroon Lake - upstate N.Y. Joan Platt had a cabin built last summer & I helped her lay and stain the floor of the sun deck (12x36) On the way back I stopped overnight with the Skellies and had a wonderful visit. Rudolf Weber was there at the same time.

Tom, Jean, Sarah & David Bowers, 510 Eastview Rd., Marshalltown, Iowa 50158 8/80 We moved a year ago from Dubuque, Iowa to Marshalltown where I am pastor of the First Presbyterian Church. Sarah has finished first grade and David kindergarten. Jean had a year of non-work (should say non-employment!) after having taught 4th grade in Dubuque. We miss our Schutz friends very much, would love to hear from you!

Margurite & Tom Leishman, 1705 Tanner Rd. C, Charleston, West Va. 25314 7/'80 We have read the nice newsletter you get out, and though we do not know most of the persons who write I still feel a kinship with them. Most still remember with some deep emotion their years in Egypt and/or Schutz. I consider my three years there
