Thanks to John Meloy we have these records. Now we have two years, give or take some, to find everyone and make it a really big reunion. Sorry about the error on the photo page. It should read Class of 1968 plan to graduate 20 years later August 7, 1988.

Hi Everyone,

This is the first request for all of the people who were graduated in 1968 and in the class at anytime to be here at New Wilmington in 1988.

I'm in Pittsford, NY driving nails and framing houses. Mom & Dad built their house next door and we have the grandparents to watch our two boys.

Anyway lets all be here.

Ron Pollock

Grace Spacht, Terwilliger Plaza # 502, 2545 S.W. Terwilliger Blvd., Portland, OR 97201 June '86 I've moved into a retirement center. Tel: 1-503-299-4502 My sister moved into our present apartment in '57, and I came back from Alexandria in '62, so it is a long time home and disposing of furniture, etc., a big job.

LouAnn (Purvis) Dillman, 1055 Woodland Ave., Corydon, IN 47112 July '86 My schedule is not going to allow me to be in New Wilmington for the reunion. I've been given the responsibility of establishing a gifted/talented program at the Middle School level for our Corporation, therefore, I'll be in Bloomington, taking some courses to help me. As soon as I finish there, Harold has a seminar in Jackson, Wyoming, and I get to tag along!

Gib McGill, Box 109, R.D. 3, Volant, PA 16156 June '86 I always enjoy reading the newsletter and just realized that it's been 5 or 6 years since I've contributed. My latest news is that I've added line drawing postcards to the things I do; enclosed is a complimentary set of the first set of 11. I've only had them for a month now, but they've done extremely well. I've started working on another set, some of which will be interesting buildings on Westminster College's campus. Bill, Kim and I hope to get together for a camping and archery hunting trip near Clearfield, Pa. toward the end of Oct.

Marge Jaspers Hohenhaus, An der Nonnenwiese 1, D-3050 Wunstorf, West Germany July '86 Thanks for the newsletter. As I caught up - the verse from Rom. 12 "rejoice with them that rejoice and weep with them that weep" kept coming to mind. I rejoice for and with Margaret Phillips Cheesbro and her wee one and for Marilyn Watkins. And I am sad for the Lorimers and Weirs. I did not know you or Kathy and Ann except through Jean Stultz's loving caring - The Schutz newsletter, but though it we are a caring "family". And there is a tribute to "Aunt" Helen Sisley. I am sure I am not the only one who appreciated her quiet listening when I needed someone or her loving letters. Her life truly does have a rich afterglow like a beautiful sunset. To show how the cycle of life proceeds -- a former pupil of mine -- Marilyn Watkins -- counseled my niece at UNI this past year. At 55 I am still teaching biology, WUK, English and a workshop in the German school - 5th & 6th grades. Bankruptcy caught up with Horst - the 2nd time in 10 years. Helde works at a natural products store in town, Marc was promoted from an apprentice to a Journeyman as auto mechanic. Jon finished his Abitur, which is comparable to junior college and then some. He will do a conscientious objectors assignment with handicapped children (as Marc also did). Jon lives at home. Any Schutzites coming to northern Germany, plan enough time to come see us (about 25 kms from the Hannover airport)

Christian Ayoub, 7400 Sherbrooke St. West # 1135, Montreal, Quebec, Canada, HUB 1R8 July '86 We will be unable to attend the reunion, except in thought. Josiane is recuperating very well from a cataract operation, Christine now 22 goes to McGill Univ. and I am still teaching for immigration. I am in charge of a group of 17 adults who have to be taught French and how to live in Montreal and in the 20th century. It is very gratifying to see them adapt so fast, even the older ones. Did I ever tell anyone that the school (tram station) is called after the family of my great-aunt Georgine Schutz de Zogheb?
