

SCHUTZ AMERICAN SCHOOL

APRIL 1989 NEWSLETTER

HIGHLIGHTS OF GWM'S TRIP TO THE USA 3/10/89  
(George W. Meloy)

Visit to Berea College in Kentucky where Schutz teachers Heather & Glen Chapman attended college as well as Mark Stuart. At least one more Berea College grad will be at Schutz in 1989-90.

Visit to Warren Wilson College interviewing possible staff for Schutz. Also visiting Penny Adala, Dawn & Greg Walters and Beth Freund checking out their dorm rooms and finding that college hasn't taught them much about being neat.

Visiting our "lobbyists" in Washington and being assured that all looks good concerning our getting a grant to buy the property "next door". It seems, however, that in Washington most people are optimistic part of the time. Keep reading your Schutz news letters and some day within six months you will find out what really happened.

Having a wonderful get-together at the home of Betty and Roy Atherton in Washington. For those who aren't sure just who they are: Betty was president of the Schutz board in Alexandria for several years back 5 or 6 years ago and is now President of the Schutz School Foundation. Roy was Ambassador to Egypt back then as well as one of the "players" in the Camp David talks of Began and Sadat days.

Those who attended the delicious buffet supper (most appear on the photo page) included: Walter McClelland, ex-Counsel General in Alex and former Schutz board member; Franna McClelland - Schutz teacher; Jim Bahti, former Counsel General; Anita Bahti, former Board member; Pam & Jeff Sanders - former staff; Nadine Smith Hauser - former 6th grade teacher 1966-67- and Roger Heusser; Andrea Lorenz - former social studies teacher; Ed Pollock - 1950's with wife Dorothy & son Jon; Paul Clark - 1960's; David McClanahan - 1950's; the Young family of the 1980's - John & Pat, Madeline & Chris - teacher, students, PTA Pres.; Jean Stultz - former staff; Newer Schutz alumni -Greg & Dawn Walters, Penny Adala, Beth Freund, Rad Antonov, Kody Modjtabei, Patrick & Jill Leiser; Mr. & Mrs. Charles McMillan who have followed Schutz history for a number of years.

George also visited Emery County, Utah, - the country school district is now a school-to-school partner of Schutz and two of their staff will visit Schutz this April and it is hoped that a Schutz teacher or two will visit there this spring.

Back to the property "next door". If any one of you knows personally a congressman from your state or district, please tell Jean Stultz so that she can give you some information that could well help in ensuring that our request will be approved. Or - if you have a friend who is close to a congressman. One former Schutz teacher had a congressman in her 7th. grade science class. We call that "close".

Gayle Swart Smith, 50 Buttonwood Dr., E.Brunswick, NJ 08816 12/88 Richard's new job as a locum tenens pediatrician is that of flying to various geographic locations to cover for other pediatricians who need "time off". Dawn is a senior at Rutgers and Brandon a freshman at Rider College, N.J. I continue to teach children with special needs. Perhaps we ca attend the Schutz reunion this next summer.

Bob & Vi Gordon, 424 Washington St., Clayton, NM 88415 1/89 I figured while I was doing our "Schutz Connection" I'd also "do" the delinquent members of the clan. Everyone busily occupied. Bob is now a clock maker in winter and gardener i summer.

Marcia Gordon Turner, 3105 Lundin # 1, Manhattan, KS 66502 1/89 I've been going to school part-time to complete my degree in nursing. Mark, Anne, & Joseph will be home from England for a visit in March. Gordon graduates in May. I have been dating a PhD student in Civil Eng. from Alexandria

Mary Thompson, 80 LaSalle St. 20C, New York, NY 10027 1/89 I have enjoyed participating on the Board of Trustees of New York Theological Seminary and have accepted the election as elder in the Fifth Ave. Presby. Church. Visits from friends continue to enrich my life. My apartment seems to like guests, and it's always a pleasure to entertain. The welcome mat is out!

Ben & Bernice Shawver, 1203 E. Washington St. Washington, IA 52353 1/89 The Schutz School figures significantly in our families. Bernice has visited on three occasions during the tenure of her son and daughter-in-law. My acquaintance evolved during 1932-37, as a short-term teacher at Assiut College. During those years Mary Russell, Ellen McFeeters, Martha Adair, Mary Thompson, Mary McFeeters, Wallace Jamison and Frank McClanahan spent 2 school years at Assiut.

W. Robert Meloy, The Georgetown, 7100 Eby # 207, Merriam, KS 66204 1/89 I am working with the Presbyterian Foundation. Will be travelling over Kansas and Missouri. Any Schutz grads in KS or MO?

Dottie Cushman, Ramses College for Girls, 198 Sharia Ramses, Cairo 12/88 This year we are going to celebrate Christmas at Jack & Mary Lou Lorimer's home. Lois Finney retired and so has ended an era of "upstairs-downstairs". My around the world trip with Vernelle Blair and Jay Thomas last March was a dream come true. I enjoyed all the countries visited but am very happy that I live and work in Egypt.

Linda Allan, 1523 Park St., Bowling Green, KY 42101 12/88 I so enjoy the newsletters. I've been a transplanted Yankee for almost 16 years and feel right at home in KY. I hope to make it back for the reunion some time.

Eugene & Ruth Ammon, 2619 E. 2nd St. Apt. 6, Bloomington, IN 47401 12/88 Our new address and for David & Verlyn Ammon, 4910 Sonata Drive, Colorado Spring, CO 80918. Kathy Ammon, 715 Ladd Ave., Bloomington, IN 47403 and Becky Ammon Stetson Sommerhaldenstrasse 5B CH-5200 Brugg, Switzerland. We will miss Jim & Rachel Pollock who are moving to Washington, IA. Hope our names come up before too many years pass!

Ernie & Grace LaFont, 1492 Osprey Lane, College Place, WA 99324 12/88 Surely enjoy the Schutz news.

Gloria Starbuck Holcomb, R.D. 2, Carriage Drive, Downingtown, PA 19335 12/88 The joy of the Schutz reunion is still fresh. It was wonderful to have a chance to renew the bonds with friends and classmates who have been so important in my life. After 7 years as homemaker I am again in the classroom. 26 pre-schoolers challenge my mind, push my energy to new limits, and continually expand my heart.

Eloise & Bill Phillips, 2516 26th St. Road, Greeley, CO 80631  
12/88 On 2/1/89 we will be the Parish Associate of the First  
United Presby. Church in Greeley. In Sept. we visited  
Margaret & Wally in Aztec, N.M., and in Nov. Jim, Vicky and  
their four children. Barbara is teaching school in KS and  
Don continues as Supt. of the Power Plant in Sterling.

Bob & Dot Turnbull, 301 S. Monmouth Ave., Monmouth, OR 97361  
12/88 Janet & family are in Indonesia where they are  
houseparents for an intermission school so we plan to settle  
down in Monmouth. Visiting Carol for Thanksgiving in  
Berkeley, CA we were part of 600 volunteers who helped feed  
7,200 people turkey dinners. We plan to spend Christmas with  
Ann in Minn. We enjoy getting together with our kids with  
the help of Delta Senior Citizen coupon tickets.

Ann & Chuck Haspels, 606 Texas St., Cortez, CO 81321 12/88  
Chuck spends much of his free time from dental practice  
working on old cars and enjoying basketball and volleyball.  
Ann is teaching computer at Chad's elementary school. Tami, a  
Junior & elected to National Honor Society last year,  
attended New Wilmington Missionary Conference. Molly loves  
being in junior high and basketball & babysitting. Chad  
likes all sports, art and visiting his grandparents.

Alma & Alex Wilson, 106 Terence Dr., Box 486, Manor, PA 15665  
12/88 In July we had a Wilson family reunion in Minn. Don &  
Peg drove from Calgary, we and George & Dianna & family drove  
from PA, and we all met half-way at Paul & Ellen's house in  
St. Paul. George has moved to the East Liberty Presby.  
Church in Vanderbilt, PA. Don's stamp exhibit (Australian  
post marks?) won first prize in a Calgary show. We hope to  
visit Paul & Ellen in Taiwan after Easter.

Helen Walker, 701 Leisure Lane, Waverly, OH 45690 12/88  
Christmas greetings & best wishes for the New Year.

Milly Cook Stonehouse, 5401 Sharon Trail, Lakeland, FL 33809  
12/88 It was so good to meet our friends of past years at  
the Schutz reunion this summer.

Mary McClanahan Turnbull, 346 Robin Rd., Bristol Village,  
Waverly, OH 45690 12/88 Helen Walker and I live about one  
block apart. Her sister Dorothy and I were roommates at  
Schutz and graduated together in that first class. I've  
always been able to say I was second in my class! It was  
exciting to be pioneers.

Lois & Roberta Finney, R. D. # 5, Box 50568, Mercer, PA 16137  
12/88 Jan. Feb. & March saw the sorting, shuffling and  
dispersal of a 40 year accumulation of "stuff". Nearly 200  
people attended a welcome home dinner given for Lois by the  
Bethany Church. In July we went to ILL. to visit family.

Marilyn & Elwyn Tedford, 107 S. James St., Sparta, IL 62286  
12/88 In May we celebrated 30 years of marital bliss by  
taking a cruise to the Bahamas. On return visited Lynne who  
teaches third grade in a Christian school in Hollywood, FL.  
Kris is an associate pastor of the Boston Worship Center, a  
church in north Boston. We continue to share God's love with  
others in our many church activities here at Trinity Church  
and in Marilyn's work in Hospice as she give support to the  
terminally ill and their families.

Jim Philips, P.O. Box 393, Baggs, WY 82321-0393 12/88 How  
much I enjoy hearing from all of you. Sure brings back some  
fond memories. I realize that even though I spent a short  
time at Schutz, there are still many of you whom I remember  
quite well. It is one of those kinships that never leave you,  
perhaps because all had to pull together as extended family  
to encourage and support each other while away from real  
family. I suppose my most memorable experience at Schutz was  
my throwing water balloons over the wall from the dormitory  
balcony. I'll never forget how quickly George Meloy  
installed barriers on the balconies to keep projectiles from  
ending up on the street. As I recall George was quite  
perturbed.

Connie McMillan, 715 North Ave. Rear, Pgh., PA 15221 12/88  
Please send a copy of the newsletter to Evelyn Smith Goffin.  
She taught at Schutz from Sept. '39 till it closed (after it  
moved to Assiut). The whole school attended her wedding in  
Assiut in March 1942. It was a double wedding with Florence  
Funk. Both grooms were New Zealanders.

Jane Meloy ElGendy, 76 Lincolnshire Dr., Lincolnshire, IL  
60069 12/88 Fati keeps busy as vice president of Permapipe.  
He's been working on marketing environmental specialty  
products, pipe within pipe for containment of hazardous  
waste, alarm systems for detecting leaks in runs of pipe to  
name a couple. Ricky thinks kindergarten is just about the  
best thing that's happened to him. Suzanne will be starting  
pre school after Christmas break. Jane volunteers in the  
Learning Center at Ricky's school.

Jackie Martin Underwood, 29 High St. Unit D, Norwalk CT 06851  
12/88 Eleanor Gersiek and I have had lunch twice. We meet at  
a place about midway between our homes. We are thinking  
about coming to the Schutz reunion next year.

Vernelle Blair, 70 LaSalle St. Apt. 21-H, New York, NY 10027  
12/88 This has been a GREAT year. Six weeks of a marvelous  
overseas trip, in July the first churchwide gathering of  
Presbyterian Women, and in mid Aug. flew to Louisville to  
help with the transition - moving the offices from NY to KY.

Norma Insley, P.O. Box 42, Shoshone, CA 92384 12/88 Christmas  
greetings to all.

Mary Lou Hoffmeier Joline, 33 Karen Ct. Letitz, PA 17543  
12/88 It's always a lot of fun to read the Schutz letter  
when it comes. Last summer we drove to Illinois to visit with  
Jim. Trisha is in 4th grade, Keven started first, and Lauren  
just turned four. Michael is working at Donnelly Printing  
Co. Mom & Dad are in a retirement home just a few minutes  
from our house.

Charles & Vivian Hoffmeier, 1001 E. Oregon Road, Landis  
Homes, Lititz, PA 17543 12/88 Charles had a fall and hurt  
4 vertebrae in his back, which has caused him a lot of pain  
and discomfort ever since. We appreciate hearing from many  
of you, please keep in touch and keep praying!

Jack & Mary Lou Lorimer, 3 Sharia Mahalla, Heliopolis, Cairo  
12/88 We spent 6 weeks this summer at Schutz so Jack could  
work on his Church History textbook. In Aug. we went to  
Austria for 2 weeks to celebrate our 40th wedding anniver-  
sary. We have been hard at work in our beloved seminary with  
the largest enrollment ever. Jack is vice president and  
teaching both in Cairo and Alexandria. We hope to break  
ground this year for our new dormitory and are enlarging the  
library where I work. Sue & Monte are fine - she is still  
counselling at American River College and he working for TRW  
in computers.

Max & Erika (Erskine) Lauffer, 190 Lauffer Rd., Middletown,  
PA 17057 12/88 We had 3 weeks in China, as members of a  
People to People Citizen Ambassador delegation organized by  
the Biophysical Society. Erika's work as Peace Partner with  
58 churches of the United Church of Christ in Lebanon and  
Lancaster counties goes well. Max's book, Motion in  
Biological Systems, published by Alan R. Liss, Inc., is out!

Kathy Jacobsen, 784 Santa Barbara St., Pasadena, CA 91101  
12/88 It's the final newsletter from Egypt! My packers come  
Dec. 14. I hope to entertain our mission "remnant" Lorimers,  
Ruth Wilson, Martha Roy, Dottie Cushman & Carol Geren on  
Dec. 13. Last week we were pleased to welcome Moderator  
Rev. Kenneth Hall. 2/89 I left Jan. 15th & was in Frutigen,  
Switzerland until 31st. I'll be at the House of Rest until  
an opening becomes available at Monte Vista Grove in  
Pasadena. Marge Dye is enjoying life at Monte Vista. She  
gave me two wooden carvings of ducks she had done herself. A  
hidden talent come to the surface. They're delightful!

Sara Baker, 150 W.Vine St. Apt. 2, New Wilmington, PA 16142  
12/88 I've moved into an apartment in the "heart" of New  
Wilmington just a step to the post office, bank and stores  
and one block from my church. I am in my 2nd three year term  
as an elder; edit the church newsletter; serve as cochairman  
of the program committee for our Women's Association; and  
lend a hand at numerous luncheons and dinners at the church.

Margaret Philips Cheasebro, 246 Road 290, Aztec, NM 87410  
12/88 I have been helping to provide publicity for a  
wonderful new outdoor musical pageant performed each summer  
in Farmington. Called "Anasazi, the Ancient Ones," it was  
written by a local woman, Sharon French, about her Anglo and  
Indian ancestors, who lived in this area. The play has  
gained international attention. I wrote a story about Mrs.  
French for Guideposts. Wally has a self-contained fifth  
grade class this year. We drove to Los Angeles this summer to  
attend a writers conferende. Philip, age 2, loved the beach  
and was intrigued by the height of the Disneyland castle.

Anne & Willis McGill, R.D. 3, Volant, PA 16156 12/88  
Kim, Kathy, and their 12-yr. old twins enjoyed Thanksgiving  
vacation in Egypt. They are into their 2nd year as part of  
the American Embassy community in Bonn, W. Germany. Bill &  
Robin live in Rockville, Md. In addition to his  
responsibilities as Chief of Anesthesiology in Children's  
Hospital, Washington DC., Bill has started to work on a  
lecture he has been invited to deliver in Shanghai when a  
delegation of U.S. doctors journeys to China next year for a  
medical symposium. Gib continues to make progress in his new  
career as an artist. His original pastels and the cards made  
from them are attracting growing attention and acceptance  
from the general public.

Milt & Mary Sage, 603-6 West St., Pgh., PA 15221 12/88 Milt  
is reading, writing, preaching occasionally, and seeing a few  
counseling clients. Mary is also reading, writing and  
corresponding with a young woman in prison (we believe,  
falsely convicted of child molestation), spending a few hours  
a week doing some organization in the archives at Pittsburgh  
Seminary. Tim is doing protein research at Northeastern U.  
in Boston. Stephaine is pursuing her doctoral program in  
Computer Science at U. CA, Irvine. Paul in addition to work  
is taking courses at the local community college.

Bill Schwartz, Box 1996, Limasol, Cyprus 1/89 Edith and I  
are missionaries with the Episcopal Church working in the  
Diocese of Cyprus and the Gulf. My work takes me to various  
countries of the Middle East so I have the privilege of  
visiting Egypt on a fairly regular basis. Some addresses of  
people you listed in the Dec. letter: Janet Johns, 813 N.  
Church, Richland Center, WI 53581; Rev. Paul Ford, 11805  
Marquette N.E., Albuquerque, NM 87123; Thom Funk, P. O. Box  
103, Ouzinkie, AK 99644; and Landa Cope, Youth With a  
Mission, Kailua-Kona, HI 96740

Mary Kay Creswell Trotter, 1900 Barham, Dodge City, KS 67801  
12/88 Shannon is a high school freshman, Courtney is 12 and  
in Jr. High and Seth is 11 and in the fifth grade. Corky,  
besides the practice, has taken on medical director of a new  
chemical dependency unit. He is also doing parenting  
classes, marriage seminars, radio shows etc. He is on the

board of trustees of Sterling College. My job is keeping my family together. I still teach Sunday School, do my room mother job, keep up my RN, and together we are filling in as youth pastor at our church.

Robert Rivington, 5 Carlton Road, Oxford OX2 7RZ U.K. 12/88 Class of '40 To give you some news of myself, I am a bachelor and retired last year after three careers, not very distinguished in any of them; first as a schoolmaster; then in Oxford (from 1966) in publishing, for Robert Maxwell, who has just bought Collier-Macmillan in the U.S.A.; finally, as an antiquarian bookseller for a friend of mine in Oxford, each career more enjoyable than the previous. I remember the school song well, and the tune to it:

S-C-H-U-T-Z,  
Schutz, Oh Schutz,  
We think you're mighty fine,  
With your A's and A's, and C's and C's  
And sports ----- Hoo-ray!

From THE TIMES 7/23/83 Punts and Punting, one of last summer's surprise bestsellers, outlined the origins and development of punting on the Thames, and at Oxford and Cambridge, and dealt in some detail with punt racing and punting techniques. This year saw the publication of Rivington's Punting: Its History and Techniques, which is both text and illustrations in the fullest survey of the subject ever published.

If anyone from Schutz is visiting Oxford, I should be glad to meet them and take them round.

Brad & Martha Watkins, R.D.1, Box 521, New Wilmington, PA 16142 12/88 Marilyn, Randy and Kevin moved to Richmond, Indiana where they are teaching at the Univ. of Indiana, East. Ginny, John, Christy and Melissa are busy in Storrs, Conn., Ginny teaching piano and John winding up his doctoral program. Frank, Peggy and Ben in Columbus, Ohio where Frank is in social work and Peggy in administration at OSU. Charles, Betsy, Meg and Brad in Pittsburgh -- Charles in law practice, Betsy vice president of Shady Side Academy, Meg a senior at Johns Hopkins and Brad a Sophomore at Pitt. While in Ventnor, NJ Martha lost the sight of her left eye.

Rachel Pierce, 188 Alameda Rd. # 112, Butler, PA 16001 12/88 In June it was a joy to participate in General Assembly when our pastor, Ken Hall, was elected Moderator. I'm all moved in to Presbyterian sponsored apartments. Love it.

Bill, Carolyn, Allison & Dawn Pollock, RD Box 129, Hunt, NY 14846 12/88 Allison's biggest excitement was a trip to Spain over Easter vacation. Dawn's highlight was Korean Camp in New Jersey where she learned more about her culture and Korean cooking. Bill's engineering firm has grown to 10. Alfred would like him to teach full time again. Bill was honored at R.P.I. track & cross country reunion on the 20th year anniversary of their winning the state championships. He was inducted into the R.P.I. sports Hall of Fame for records he set during his years there. I'm busier at work as my boss has become the Town Justice and is now hoping to be appointed to the County Attorney seat. I'm still a volunteer "visiting friend" with Social Services, teach Bible Club, help lead our 4-H group, type set for our local town paper, and just became corresponding secretary for our newly formed P.T.A.

Ada Margaret Hutchison, R.D. # 3, Box 48, Claysville, PA 15323 12/88 I retired in June. Not an easy decision because I really enjoyed teaching. I am officially acting as a mentor to the girl who is teaching my Science Research course.

Bob Kraft, Sanaa International School, Box 2002, Sanaa, Yemen Arab Republic 12/88 I lived with Bill and Carolyn while attending Houghton College to obtain requirements for certification to teach. The school is just a little bigger than Schutz. I am teaching physics, algebra II and computer. For exercise I've joined a hiking group, which consists of following a trail through the hills and wadis. Usually 50 to 80 people show up to go jogging and climbing and it's a good way to see the countryside.

Irene & Norman Kraft, 78 Main St., East Randolph, NY 14730 1/89 We're always sorry when we miss Schutz reunions but last year was a special one -- the first time in 9 years the entire family was together.

Richard & Kathy Broughton, 4506 Malvern Rd., Durham, N.C. 27707 12/88 We enjoyed the piece about the founding of Schutz School by Bernice Hutton. That actually got us to thinking that there are a number of things that we "friends" of Schutz ought to consider doing, before it is too late. I don't know if there is any organized plan to preserve the history and heritage of Schutz, but it might be worth considering. There is probably a wealth of photographs, letters and documents going right back to the founding of Schutz scattered among the many former staff and students. The time to start collecting these is now, before too many of the early Schutzites have died. I suspect you (or somebody) already has a collection of yearbooks and such like, and probably the Presbyterian Mission offices have an official archive, but now might be the time to get the word out and start actively collecting the unofficial material that folks have stashed in attics and closets. Most important, of course, are memories. Folks should be encouraged to set down their memories of the "old days." Oral history on tapes would be welcome.

THANKS FOR YOUR SUGGESTION. I do have a collection of yearbooks and of course copies of all the newsletters. But let us do better and expand the collection -- Write down memories or make a tape and send it to Jean. We will then search for an archivist.

Ann Turnbull, 916 Brook St., Brainerd, MN 56401 (218) 829-0977 12/88 Carol is still working in Berkeley, CA at the Lawrence Hall of Science. Janet and Dennis (Haley 5, Eli 3) committed to spend 3 years in Indonesia as houseparents for missionary children. Lee and Melinda (Samantha 3, Lindsey 1) are in Toledo where Lee is manager for a Pioneer Seed Corn production plant. Nancy is nursing in Hawaii. Next year a Turnbull Christmas is planned in Hawaii. I continue to work for the county, this year promoted so I now do interviewing for other financial programs in addition to food stamps. Lee's address is Rt 1 Box 216A Toledo, IA 52342

Dorothea & Bob Meloy, 530-A Waugh Ave., New Wilmington, PA 16142 12/88 We are thankful for letters and cards from so many of you, expressing your concern and prayers for us. Our latest family news is that Sarah and Loren are delighted to be expecting a baby about the end of May. David and family moved to New Orleans after Thanksgiving, and are learning all about Mardi Gras customs these days. Address is 3648 Pin Oak Ave., New Orleans, LA 70131.

John, Gwen (Adair), Desta, Charles, John T. and Heather Haspels, P.O. Box 44838, Nairobi, Kenya 11/88 God has done great things: In Aug. we received a letter from Ethiopia stating that the government had given permission for the reopening of all 20 Presbyterian Churches in the province which have been closed for the last 11 years. In Oct. John was privileged to attend the first public worship service in the new half finished Ghimeera Church. The new church stand next to the graves of John's Dad and a Christian who was shot when the Church was forced to close. We are looking forward to the visit by Grandpa and Grandma Adair for Christmas. It has been 20 years since they were last in Africa.

Mary Alice & Chuck Jordan, 100 Watauga Ave. Apt. 6, Elizabethton, TN 37643 2/89 I'm sure Jeannie would have liked to have been at the reunion, but they were travelling in Europe all summer. Lois is a sophomore in Bethel College St. Paul, Brian will be 16, Elaine 15, Craig 11, Glenn 9, an Paul 6. Jack & Cheryl's three are John, nearly 18, Jimmy 15 and Susie 13, their adopted daughter from Ethiopia. We enjoyed Dave & family when they were on furlough from Thailand. Kari 17, Kami 15, Kris 12 and Kaleb 8. All love! Kids, we're thankful for each one.

Dave, Fran, Kari, Kami, Kristi, Kaleb Jordan, Box 11, Thung Chang, Nan, Thailand 1/89 We miss having the Millers here, and more than ever feel the need for help in the work. With new believers to discipline and good opportunities for evangelism, there is a great need to have the Scripture in Prai. There is also a need for literacy work. Continue to pray with us for God's provision.

Peggy (McKnight) Weymer, 249 DeVore Dr., Meadville, PA 16335 My father, James McKnight started the agricultural school in Gereif, Sudan in 1923. I would love to have addresses of the others in the class of 1944. In particular, Patty Henderson was my best friend at Schutz and John West and family lived with us at Gereif for a year. My sister, Rebecca McKnight Till, was in the class of 1941. Her address is P.O. Box 75, Herskill, TN 37754. I have been a quilt dealer, antique & new for 6 years after retiring from teaching home economics for 12 years. My husband, Hank, retired as a metallurgist from Abex, a copper and brass foundry in Meadville.

Agnes (Moraitis) Jaouich, 2020 Kingsgrove Crescent, Ottawa, Ontario K1J 7Z1, Canada 2/89 I work for the National Capital Commission which is a body similar to your organization that monitors the Federal District. We planned to go to the reunion last Aug., however, events overbook our plans. Alexis 13 and Kannie 10 often hear us speak of Alexandria and Schutz. Both girls are looking forward to a future visit. Remy is practicing pharmacy in a local hospital.

Treasure & Spiro Kizas, 2208-45 Grenoble Dr., Don Mills, Ontario M3C 1C4 2/89 I can't tell you how delighted we were to receive the Schutz newsletter. We have been out of contact with anyone from the School for several years. We loved our years of being a part of the Schutz faculty. Spiro is teaching at the Royal Conservatory of Music and the Univ. of Toronto. He also adjudicates around the country and manages to fit in some time to perform. I am running a Creative Arts Studio as well as a computer lab at a local school. Hopefully, I will be teaching ballet again soon. We look forward to being at the reunion in July of 1990.

Nellie (Webb) Arnold also known as Mrs. Gene Manners, The Arnold Corporation, P.O. Box 1353, Aptos, CA 95001 408-684-0619 12/88 During the past four years I moved from San Jose to Aptos. I performed with and later married a dark and handsome Italian opera singer, Gene Manners. With Gene I became an "overnight mother" to two boys (9 and 14) and one girl (17). We live very happily in a beautiful ocean front home. My mother, Phyllis Webb, who is now blind but still teaches adult bible class, lives with us. Gene and I are both professors of music. I direct the Cabrillo Opera Festival which now performs throughout the San Francisco Bay area. I also run my own international marketing/development company and continue work overseas primarily in Europe and Asia. Marian Webb also remarried to Steve Morgan. She lives

at 9620 Cassandra Way, Sacramento, CA 95827 and teaches quilting and also has her own business. She continues in her painting and photography and has two children, Gillean and Christian. Jessie Webb McCallum 2635 Hill Park, San Jose CA. 95124 The Rev. Dr. Allen McCallum is a presbyterian minister. David Webb 7901 Bay Meadows, Circle East Apt. 532, Jacksonville, FL 32216 is busy building his house and settling into a new job. He is a computer whiz and management consultant/trainer. Dad, Alan Webb, died in Oct. 1984. In spite of her blindness, Mom keeps in touch with over 300 missionaries. Another book was recently published on her life. When I read it, I think with fond memories of our very gallant parents and of the teachers and houseparents who made significant impacts on all our lives.

Joan Murdock, 1381 North Drval Circle, Chandler, AZ 85224 2/89 I'm thinking of trying an Elderhostel and also about a fall trip to Egypt.

Mary Anna Bode, The Pines, 400 Avinger Lane, Davidson, NC 28036 (704-896-1256) 3/89 It has been good to be a Presbyterian Volunteer in Mission at the New Windsor Service Center since fall 1987. I'll miss friends, work and the far-reaching programs here. Each has helped me make the transition from life and work in Egypt to life in the US. The opportunity to retire at The Pines came as many other opportunities through the years; doors opened in unexpected ways and plans fell into place much more quickly than I expected they would.

Ralph & Florence Galloway, % House of Rest, Apt. 5, 784 Santa Barbara St., Pasadena, CA 91101 (818-796-2174) 3/89 Although we thought to be in Berkeley for 2 or 3 years, we discovered in Jan. we are high on the list to be accepted at Westminster Gardens and were advised to move to Pasadena to be near when the time would come to move. We will be flying to Pittsburgh to itinerate in Erie Presbytery on April 15th. Then after interpretation in Carlisle Presbytery & Fox Chapel Presbyterian Church, we will return to Pasadena May 18th. After living in Africa for 37 years, we look forward to finally settling at Westminster Gardens.

Many Egypt friends were able to attend the funeral services for Elsie McClymonds who died on Jan. 8, 1989. Elsie served in Ethiopia as well as Egypt.

Sally Millison, 517 Crieswell Rd., Butler, PA 16001 12/88 I represent our Presbytery on a Racism Committee and am a member of the Presbytery Peacemaking Committee. I am in charge of SERRV sales and with 17 sales this fall totalled over \$8,000. By purchasing these handicrafts Presbyterian Women are helping to supplement the meager incomes of artisans all over the world.

Len Millison, 1622 James St., Monroeville, PA 15146 12/88 The big news for me this year was my long delayed study leave and 2 weeks vacation to visit Egypt, Kenya, India and Thailand.

A. Mac & Lois Roy, 6656 Grant, Cincinnati, OH 45320 12/88 'Tho' sort of disconnected, we love the 'Schutz School' Newsletter, and word of those who get to N.W.M.C.

Mildred Heasty Allen, 100 LaSalle St., 17B New York, NY 10027 12/88 Just this week I have returned from a wonderful trip to visit Nancy & Tom. My sister-in-law Betty and I flew together via Singapore. Nancy & Tom took off 10 days from work to show us Bali and Central Java. Both going and coming I stopped off to visit Judi and Jeff. Judi has just passed with distinction her Ph.D. orals at UniU. of CA., Berkeley. Her field is parasitology. The happiest event of the year with David's wedding to Gayle Rivers July 30th at Riverside Church. David is teaching at the West Virginia School for the Blind and Gayle 3rd grade in a nearby town. Barbara is still working for the National Petroleum Council in Washington, D.C., living in Arlington and is an elder in the Clarendon Presby. Church.

Marian Jamieson Eddy, 275 Bangor Ave., San Jose, CA 95123-3604 3/89 I'm delighted to hear that Peggy McKnight Weyme is in charge of plans for our class reunion. I hadn't heard anything about her since the year she and I were in fifth grade at Schutz! Please put my sister on the mail list. Mrs. Jack (Carol Jamieson) Trimmingham, 9251 Lakewood Drive, Windsor, CA 95492 I have many wonderful memories of my five years at Schutz. Jan. 21 we celebrated the 90th birthday of my mother, Marianna Jamieson. It was especially heartwarming to see Bill Anderson and John Adair among the guests. Mother was on the Schutz Board for several years in the 1930's. The photo of Marianna Jamieson's 90th birthday with a "Schutz contingent" will appear in the next letter.

Ellen McFeeters Turnbull, 323 Center St. Burea, KY 40403 2/89 My sister-in-law, Mary McClanahan Turnbull was in the first high school class at Schutz. She and Dorothy Walker were the first graduates and they wrote "Oh Schutz, Our Schutz" and the pep song. I was also delighted by what was written about Madame Barbara Demidoff. She was special. Sh told us of seeing that meteor that struck in Siberia in 1906 She was on horseback that evening. It was like the moon streaking across the sky. Her horse trembled. I am confuse by the class dates listed. We Schutzites had real graduation ceremonies at the end of our three years at Schutz. Ruth Galloway graduated from Schutz in 1934 and we traveled together to the US. I graduated in '33 with Mary Russell. In the class of 1935 were Wallace Jamison, Mary McFeeters, Mary Thompson, Frank McClanahan, Donald Moore and Martha Adair.

Paul Jamison, 2 Hewes Circle, Peabody, MASS 01960 2/89 I don't suppose there are many my age who can find and correspond with someone they were with in 3rd grade together Mary McLaughlin, Mabel Henderson and I graduated in 3 years in 1938. Winfield Whitcomb was my roommate at Schutz and he had an older sister Barbara. Dr. Whitcomb officiated at my birth in Tanta in 1921. Perhaps you have heard how he died. It was possibly '35 or '36 he contracted blood poisoning in the Assiut Hospital after delivering an infected village woman. It was a great tragedy that shook up the school. My classmate H. Earl Russell was the son of the Consul General in Alex. I learned that he died tragically in the North African Desert travelling with his wife and children. The car ran out of gas and instead of waiting for the car to be found (which it was) he started out across the desert towards the sea for help and died. His family was rescued later.

Jim and Rachel Pollock, 367 Oak Lane, Washington, IA 52353 2/89 Planning to move to Washington in March. Paul Dougherty was in our 4th grade class (1931/32). He and his brother Donar were sons of Ethiopia missionaries. Also in the 1933 class was Anne Moore (don't have her married name at hand) Her brother Donald Moore was class of '35, but he was killed in S. Pacific in W.War II.

Lavina (Rivington) Matson, 32 Mead Way, Canterbury, CT2 8BB Kent, England 2/89 Raymond played at the French Huguenot Church in the Crypt of the Cathedral on Sunday, Sept. 4th, or Tuesday he had a heart attack and Wednesday mid day he died. This was an unexpected shock, and although I said we would be finishing the service at 4 each Sunday and would be pleased to show people around, I am there sometimes, but not always. I shared a room with Sarah Gephardt and Isabel Roy at Schutz. I was only there for a short while before coming to school in England. I remember a small freckled faced lass called Jean Attwell - but I suppose it is a mammoth task finding people.

J R Sisley, Orchard Manor, Harrisville Rd., Grove City, PA 16127 On February 5, Martha Sisley Beidler and John R. Jr. had a beautiful 90th birthday celebration for their father.

David Wayne Dornik, 7 Constance St., Merrimack, N.H. 03054 "As New Hampshire, U.S. Man of the Year I pledge to make a difference for a better future. To be a friend to the children of our state by actively participating in an American campaign against drug abuse and to be come an advisor about the dangers of using illegal drugs." I wish to find Miss Dorreya Zaki and Billy & Nadia Al-Alawi from the class of 1979-1980.

Stephen B. Jamison, 186 Perkins Row, Topsfield, MA 01983 Life is so busy -- and a paragraph so short! But God continues, as always, to bless us wonderfully. We will make it to a reunion someday.
