To All People Concerned:

This is a request for all people who were ever in the class of '68. Let us see how many of us we can get here to the reunion for our 20th. It sure would be nice to see a good turnout. Thanks for making it in advance. See you there.
 Ron Pollock

Correspondence Received since last letter:

Paul & Peggy Musser, 216 East Vine Court, New Wilmington, PA 16142 Peggy & I were sort of Schutzees in '47-50 when we were travel parents for the Schutz kids going to home in the Sudan. Peggy also taught piano lessons and Sunday School when Schutz was in Assiut.

Mary Alice & Chuck Jordan, R.R. 7, Box 1115, Elizabethton, T 37643 You may be hearing from Dave and family as they will be moving March 2 to the old manse of the Mt. Nebo UP Church and be there thru June. Jack is at Moody Aviation school in charge of the maintenance of buildings and grounds. Jeannie and Dave & six kids had fun travelling last summer in their huge motor home to see the World's fair at Vancouver. Jeannie is in both the Mennonite and Covenant hostess books, for sort of "Bed and Breakfast" listings.

Mary Beth (Neely) Smith, 3 OldClave Rd., Congers, NY 10920 3/87 I'm currently laid up with an ankle that I dislocated and broke in 2 places. It means I can't teach for about 6 weeks. Dave is now doing counseling full time. Amy is competing in gymnastics and Jeff is an ACTIVE first grader who's happiest playing soccer or baseball. Deb & her daughter Vanessa are here visiting. Deb's still teaching in a private school in Providence.

Marjorie Dye, 2889 San Pasqual St., Pasadena, CA 91107 3/87 It's great to hear of all the varied activities of several generations of friends! Am sorry to report the death of Margrietha Buchanan. She was my neighbor and friend of many years. She was born in Egypt (Kruidenier) and served in Ethiopia.

Joan Murdock, 1381 N. Orval Cir., Chandler, AZ 85224 6/87 I've been searching frantically for my list of "Egyptian" addressees you published a few years ago. That list is my lifeline to all the "Egyptians". I had a great trip to Egypt in Jan. & Feb. '86 I saw quite a few people that I knew and had good visits with them. Cairo and Alex had changed so much I hardly recognized anything. And the traffic!!!

Pearl & Safwat Habashi, 714 Victory Rd., Allison Park, PA 15101 3/87 Thanks for the Schutz letter. We're off to Texas for a visit.

Rene Johnson, 1335 1/2 N. Mansfield, Los Angeles, CA 90028 7/87 I have heard only from Nancy McCue, Kathy Winkler and Marguerite Leishman. I am definitely planning on attending the reunion.

Marguerite Leishman, 1705 Tanner Rd., Charleston, WV 25314 7/87 I assume you are still doing the newsletter just as all Schutzees assume George will always be at Schutz. I'm hoping to make the reunion.

Sol Gilvarg, Farmacia Onda, San Jose, Street #1141 Montevideo, Uruguay 2/87 I was a member of the board and treasurer of Schutz American School where my son Roberto was a student from 1981-1983. I was controller of Colgate-Palmolive (Egypt) In 1983 late 3rd quarter I had a stroke which affected the left side of my body and consequently I had to resign and have been sent back to Montevideo. I am grateful to Schutz American School and to Mr. George Meloy and Linda Seal and Redmaster for having been able in three months made my son who didn't know a word of English to read and speak and converse in English to a point that Roberto my son has acted in a play at school representing George Washington and that the teachers in his class were telling me that they were confusing him with the English and American speaking students so his accent was American. When I was receiving visits from New York management they were talking with him then they were telling me if he lived in the U.S.A. yet he was born and did his primary studies in Montevideo, Uruguay. I still dream of Egypt mainly Alexandria and miss the nice people I met there.

Marge (Jaspers) Hohenhaus, An der Nonnenwiese 1 D-3050 Wunstorf, West Germany. 7/87 "Hello to everybody" at the Schutz picnic. We begin school again on the 6th of Aug. Someone has thought up lots of new laws and rules for the Education Dept. in our State of Lower Saxony. It is already obvious that it is impossible to "do" all of it and that the problems will be manifold. Heide was married to a religious ed director on the first day of Spring. Marc plans to try working a year with Dad in construction and pre-poured parts business, so that both he and Horst will be sure it "worked" or "didn't work" before Dad retires. Jon has 8 months of conscientious objectors work - with mentally and physically handicapped children - left.

Jaakko Kaprio -- Sharon Garber shared a news clipping she saw entitled Study finds intense grief can be fatal to bereaved. The study, which involved more than 95,000 widowed people in Finland was led by Dr. Jaakko Kaprio.

Katherine R. Short, 1 East High St., New Concord, OH 43762 Sixty-third anniversary of the opening of Schutz School! September 1924. Enclosed pictures and history I promised you at New Wilmington and a contribution toward printing of the next newsletter. I really enjoyed the reunion and look forward to the next one. Katherine (Roy) Short entered Schutz as 1st grader in 1924.

Kathy Jacobsen 22 Sh. el Sail, Fl. 17, Roxy, Heliopolis, Egypt 4/87 St. Andrew's Church requested the Music Center to vacate the manse where we have been located for 13 years. They are now involved in a very active program, especially with the hundreds of refugees now in Cairo - many from Ethiopia. M.E.C.C. people have decided that the Music Center will be located in the office. I'm still waiting to unpack hundreds of cartons of books and music on shelves not yet built. I'll be in California early Aug. until mid-December and then return to Cairo for a final term. My address till Dec. will be House of Rest, 784 Santa Barbara St., Pasadena, CA 91101. Please let me hear from you!

Alex & Alma Wilson, P. O. Box 486, Manor, PA 15665 As of April 1, a half-time pastorate as solo pastor for a small but live and interesting church. We also will be representing Portable Recording Ministries, International, a technical service mission which, like the Bible Societies, aims to get the newly-translated scriptures into the hearing of illiterates throughout the world. Harvey Hoekstra is on loan from the Reformed Church in America as the director of PRM International. Telephone (412) 863-2366.

Dick Gibson, PO Box 4259, Limassol, Cyprus 3/87 My new home is near the office of the Middle East Council of Churches.

Beth (Roy) Maddux 708 Lexington Ave., Terrace Park, OH 45174 8/87 Sunday's reunion was so much fun. Seeing Jackie Underwood & JoAnn Murdock was a great surprise. I'm not sure my son realized how momentous seeing faces from the past was, but he admitted he'll come with me next year. My parents are busier than they were prior to retiring I think. Bill Roy continues to be busy with his construction business, editing a railroad magazine, and about a dozen other schemes. Cindy, my younger sister, is in the process of getting out of banking and into financial planning. I'm working on an acute psychiatric unit and am really enjoying it. (ex Jean Roy)

Joyce Gordon Thompson, 441 N. Broadview, Wichita, KS 67208 8/87 I have been working with a surgeon whose practice is limited to problems of the upper extremity, and I find the work very interesting. Bob continues to study and attend seminars on fire prevention which will be helpful for promotions within the ranks of the fire department. We've had a couple of family get togethers this summer for weddings. Patty got married in June in PA and in July Marcia's son Mark got married.

Ben & Bernice Shawver new address 1203 E. Washington St. Apt. 210, Washington, IA 52353

S. Lorimer & M. Yunker, 5115 Eleventh Ave., Sacramento, CA 95820 10/87 Monte & I publish a CAC newsletter so we are learning what a time consuming task newsletters can be! I have just started a new job as Counselor at a local Community College, and am thoroughly enjoying it. This is a career switch for me, as I have been a nurse at a college health center for the last four years. Monte is beginning his 2nd year as a computer software engineer for TRW, a defense contractor. Last year was the first time in the 15 years since we started dating that neither one of us was in school -- it was nice! We attended a CAC Reunion in Houston in Aug. Had a wonderful visit with the Baca clan - Ernie, Rico, Ana, Elena & Lydia. Enshallah we'll make the Schutz Reunion sometime soon.

Thanks to the following for their contributions:
Marge Dye, Pearl & Safwat Habashi, Marguerite Leishman, Joan Murdock, Martha & Brad Watkins, Sara Baker, Mary Alice & Chuck Jordan, Mary Beth Neely Smith, Katherine Roy Short, Beth Roy Maddux, Sharon Hoffmeier Garber, Norman Kraft, Jackie Martin Underwood, Marianna Bode, Bill Pollock, Ruth Roods, Mr. Ifft, Joe Henderson, Ben and Bernice Shawver, Elwyn & Marilyn Tedford, and friends of Jean Stultz from the Wilkesburg YWCA.

Ann Meloy, 1311 Milner, College Station, TX 77840 May '87 Emma Meloy Jubinski born April 30 at 9:48 pm 21 in. 8 lb. 6 oz. second daughter of Paul & Ann. We're still in College Station, still with no idea how long we'll be here. It's been a nice place to live so far. We may be living in Seattle area temporarily (say 6 weeks?) around Christmastime while Paul's big project nears the end of its construction phase but I've no other traveling plans than that in the near future. Bob to have a weekend visit from Alice (Meloy) and Andrew in February. That was fun.

Dave, Fran, Kari, Kami, Kristi & Kaleb Jordan. Box 11, Thung Chang, Nan, Thailand 9/87 Ten months of furlough time have passed quickly and we thank all who have made it a very special time. Aug. 11 we head back to Thailand. Thanks to all who have been praying for our kids. Kari and Kami can't wait to get back to their school. Kristi will have a rather rigorous exercise program along with having 4th grade at home. We praise the Lord for providing a special exercise bike for Kristi to help her with her program. Wouldn't Fran love it if someone came to teach Kristi and Kaleb so she could be full time in language study and get over the hump!

Philip & Cindy Roode, 440 Moreland Dr. Franklin, PA 16323 9/87 Michael Albert born Sept. 12 died 4 days after birth. This is the second time this has happened to us. Both Brian and Michael had the same congenital heart defect. So please pray for us. It's not an easy row to hoe. Other people have been there before. I know I'll survive and will laugh again,

but the feelings are as human as ever and I'm both weak and strong, helping Cindy and needing help from her and we're leaning on our friends and Church community.

John & Gwen (Adair) Haspels, 216 E. 6th, Halstead, Kansas 67056 9/87 We are now back and settled in Halstead for our home assignment. John has an extensive speaking schedule. Gwen stays at home keeping the home fires burning, and the children are busy in school. Even Heather is in day care two mornings a week. We again thank all of you for sharing together with us during the last seven years in the Sudan. We have learned many lessons and have grown in our faith. We have seen men and women coming to Christ and churches being born. We have become acutely aware of a "Suffering Church" and have experienced God's provision, protection, and guidance. We covet your prayers as again we seek God's direction for the future.

Helen Walker 701 Leisure Lane, Waverly, OH 45690 10/87 Yesterday I was at a Presbyterian gathering & met a lady from Jackson Presbyterian Church. They had had a minister who was raised in Egypt, by the name of David Webb, but had lost touch with him, and would very much like to know his address. I thought it might be a brother of the Webb girl whose parents joined our mission from the S.I.M. in the Sudan.

Lyle A. McGeoch, 1 Briarwood Dr., Athens, O 45704 11/87 The Schutz reunion was a real success for Florence & me. We'll be back.

Gib McGill, R.D.3, Volant, PA 16156 11/87 Merry Christmas! (a trifle early) (written on a card with photo from pastel painting done by J. G. McGill and just received from the printer) My brothers & I had our second annual archery hunt in a log cabin in the woods near Clearfield PA during late Oct. Oh, what a fantastic time! Bob Kraft drove down & joined us for several days of our week. Kim had come from Bonn, Germany for the occasion. Although Bob didn't, he brought his camera and accompanied us on our evening & morning hunts. I put him in trees near me with one of my "climber" tree stands with instructions to shoot me with his camera while I was shooting a deer with my bow. But, just a last year, Bill was the only one of us to get a deer. On Wed. I'm driving up to East Randolph, NY to visit with Bob & family over Thanksgiving. Last time I visited their home was in Assiut!

Milt & Mary Sage, 603-6 West Street, Pgh. PA 15221 12/87 We and the mortgage company now own a condo in Wilkesburg. Top of the list for '87 is that Milt attained in May his Dr. of Ministry. Mary is taking a semester off from school to move. Tim is continuing his research at Northeastern Univ. Stephanie is continuing doctoral program in Computer Science at Irvine, CA and Paul continues at Tire America. He took the big plunge and bought his first new vehicle - a fire engine red Toyota truck.

Marilyn & Elwyn Tedford, 107 S. James St., Sparta, IL 62286 12/87 Kris in Boston is enjoying his ministry with foreign students. Lynne is enjoying her new teaching job of 3rd grade in a Christian school in Florida. Elwyn continues as pastor of Trinity Church and Marilyn is finding it very fulfilling to minister to the patients & families in the county on a part-time basis with a home-care program for the terminally ill.

Jane Meloy/Elgendy, 76 Lincolnshire Dr., Lincolnshire, IL 60015 12/87 I'm so excited -- Ann and I will be coming to the reunion next July. It'll be fun to see you and other friends from Schutz again!

Martha & Brad Watkins, Orchard Terrace Dr. New Wilmington, P 16142 12/87 We spent Thanksgiving with Charles & Betsy in Pgh. Meg is home from Johns Hopkins U., where she is a Junior. Brad is a freshman at Pitt. For Christmas we are looking forward to having Ginny, John, Christy and Melissa here. We hope Frank, Peggy and Ben can drive over from Columbus, O. some time during the week, and Charles & his family come from Pgh. Two major advantages of living near New Wilmington are the opportunity to meet old friends, especially during the annual Missionary Conference and the Schutz School reunion, and our proximity (12 miles) to both I-79 and I-80. Do stop by. Sara Baker had knee surgery this past week and is doing well.

Word has come of the death of Dr. Sarah B. Meloy who served in Egypt from 1923-1962 at the American College for Girls in Cairo - now Ramses College.

Bob Sisley, Orchard Manor, Harrisville Rd. Grove City, PA 16127 12/87 I think often of the good times in Egypt.

Jackie Martin Underwood, 29 High St. # D Norwalk, CT. 06851 12/87 It was good seeing you and many others at the Schutz Reunion. I'm a grandmother now. My son & his wife had a son Oct. 14. I'm spending Christmas with them in St. Croix.

A phone call from Ann D. Houck of Cassidy and Associates to let us know they had word that Roy Atherton was in Princess Grace Hospital, 42-52 Nottingham Place, London W1 following a heart attack (12/2/87)

Headmaster - George W. Meloy, Schutz School, Alexandria, Egypt 10/87 Our enrollment is a bit above predicted budget numbers for the year. Betty Atherton will be at Schutz for a day either to or from a mental health conference in Cairo. Four men from Wheaton College and Christianity Today

including former student Jim Hoffmeier, PhD, are coming to Schutz for 3 days as part of their 2 week trip to Egypt. Eleanor Dorman Johnson will be here from Northfield Mount Hermon School to see how things are going. 11/87 One evening not long ago we had a ping-pong "friendship night" with teams from the Chinese, Japanese, Swedish, Bulgarian communities. The Japanese won the tournament but the Chinese brought with them two professional ping-pong coaches who are working in Egypt who put on a show that was hard to believe. I will be attending the annual meeting of school administrators for this part of the world in Istanbul. Possible needs for staff for next year are elementary classroom teacher, computer teacher, high school math, high school social studies, secondary curriculum director.

THE CLASS OF 1968 IS FINALLY GOING TO GRADUATE.
